## SUMMARY

I am a skilled Salesforce Development professional with a strong base in Workflow Rules, Process Builder, Data Modeling, REST and SOAP APIs. I bring onboard a robust Salesforce Lightning Experience with proven experience in Visualforce, SOAP, REST, Lightning Aura Components and Asynchronous Apex. I have worked hard in developing my problem-solving and interpersonal skills and over the years emerged as a stronger Team Player with the ability to deploy Salesforce successfully.

## EXPERIENCE

### Student Course Coordinator, Work Ready World Ready Module

08/2023 - Present Rajpura

Chitkara University

- I am the student course coordinator for one of Skillverse top-rated capacity development programme in soft skills, CV writing, personal grooming and communication techniques.
- I manage and maintain the quality of the module delivered by working closely with the Professor in charge, Mr. Sourav Roy, and under his guidance and supervision keep a track on the progress of more than 110 Students in the Programme.
- Separately, I help Professor Roy in keeping an academic track of the qualitative growth and assessment of every student in the module.
- After my university classes, I help Professor Roy in managing his appointments and career consultations with more than 70 students, each of who approach him for enhancing their CVs, applying for scholarships and internships, job applications, interviews and for making their resumes compliant with the latest Applicant Tracking Systems.
